## BUBBLES

*Sparkling wines are made by every wine producing country in the world. The carbon dioxide, which creates the bubbles in the wine, is a natural by-product of fermentation.*

*Tuscany is proud to feature the wines of:*  
**Angelo Gaja**

*In 1859, Giovanni Gaja founded the Gaja Winery in Barbaresco and it has been passed down for more than four generations. Angelo Gaja, the current owner, is responsible for the bold new winemaking techniques such as using barriques, (225-liter French oak barrels). All of these wines are produced exclusively on the 250 acres of vineyards in Piedmont's Barbaresco and Barolo districts. In the mid 90's they also purchased two estates in Tuscany, Montalcino and Ca' Marcanda.*
